

Online Guides to Help the ADAPT Concept

220 Soft provides some useful online guides that are already being used to help people in the United Kingdom facing changes in their life. **A special collection of these guides has been created to help local communities and also people following the ADAPT programme.**

To try these guides in the Community Support Collection, **[Click Here](#)** (instructions below).

Community Support

The "Community Support" collection gives support in job hunting and the government's online Find a job process. To help those wanting to know more about and claim Universal Credit there is a step by step guide for users to follow. For people currently arriving in the United Kingdom to settle in their new home, "Life in the UK (the British way of Life)" is a guide to prepare people for many aspects of British life.

The Community Support Collection contains:

- Adapting to Change – plus Job Skills
- Find a job – step by step
- Universal Credit – step by step
- Life in the UK – The British way of Life

You can **[Login or Signup here](#)** and instructions together with a free trial access number are below

Instructions and Free Trial Access Number

- You need to sign up to a product the first time you use it. After that you can log in quickly just using the username and password that you chose.
- Once you have signed up to one product you can login to any of them with your username and password. You only need to sign up once.
- You need a unique number to sign up. To access the trial, use any number of the form ADAPTxxxxxxx, where the eight x's are any digits from 0 to 9 (e.g. ADAPT18735624).

Customisation

- All products are customised with the client's logo at the top right. This then appears on all pages.
- The number used on the Signup page can be any unique number such Membership Number etc.
- It will be validated as requested by the client.
